State Department Has Directed Newdersey Authorities to Hold Prisoner on Charges.

NO QUESTION AS TO STATUS

Examination of Magistrate Will Determine Course of Action as to Extradition.

Washington, July 14.-No decision has been made by the state depart. the case of Porter Charlton, to have murdered his It may be stated auhoritatively that the state department has had nothing whatever to do with case except on request of the horities of the state of New Jersey to hold Chariton on charges that may be resented to the examining magistrate to the United States commissioner before whom he is to be arraigned.

In the view of the state department to apprehension exists as to the status of the Charlton case. Charlton is in

se would induce the magnitude the accused for the crime charged, the magistrate will certify the evidence and findings to the secretary of state. The secretary of state will then examine the evidence and if in his judgment it prove a proper case for extradition, a request from the Italian government for the return to Italy of the accused might be entertained. The sanity or insanity of the accused would cut no figure in the action of the state department. That would be a matter for the determination of the courts of Italy. The finding of the examining magistrate in this country would be final as far as the state department is concerned, if it should be in favor of the accused. No review, in the opinion of the state department

favor of the accused. No review, the opinion of the state department ficials would be possible. If Porter Chariton should be found the examining magistrate as not alty or if a prima facle case could the made against him and he should eleased, the sinte department. uld have no jurisdiction over the

MILLIONS OF ACRES OF

COAL LANDS WITHDRAWN

Total Is 71,518,588 Acres, of Which

Half Are New Withdrawals-

Work Is Now Complete.

Reverly, Mass., July 14 .- President

Taft today withdrew several million

acres of coal lands in different states

of the west, bringing the total acreage of coal land withdrawals made by

him up to the enormous total of 71,

About half of this amount are new withdrawals. The work is now complete and is epitomized in the following letter to the president from Secy. Ballinger:

"My dear Mr. President—

"The orders for the withdrawal of coal lands which are transmitted herewith complete the series which have been prepared in accordance

have been prepared in accordance with your instructions. These orders confirm and continue all existing coal land withdrawals and add materially

thereto. The areas covered are s fol-

Already 10,210,082 acres of coal

which comprises about 20 per cent the district, the supposed areas

the district, the supposed areas of coal fields aggregate approximately 12,000 square miles. In these coal fields believed to be underlaid by workable beds of coal about 1,200 square miles, in more than three-fourths of which only the lower grade coals ocur. Thus the known coal lands of Alaska, which are believed to be affected by your order of withdrawal, aggregate some 770,000 acres. "Very respectfully."

"(Signed) R. A. BALLINGER, "Secretary."

Western One Will Begin August 25 And the Southern One October 6.

SPEAKING TOURS

LIKE REGULAR CAMPAIGN.

They Will Resemble the Trip of a Presidential Candidate in Many Particulars.

Oyster Bay, July 14 .- Theodore Rooseelt gave out today the itineraries of the two speaking tours he is soon to make-one into the west late in the summer, and the other through the south in the early fall.

The two tours will resemble a campaign trip by a presidential candidate, for Col. Roosevelt will not only make ing card permits, but probably he will deliver talks from the rear end of his

deliver talks from the rear end of his private car. For the first trip a ear has already been chartered.

The western trip is to begin Aug. 25 and will end Sept. 11. The southern trip will extend from Oct. 6 to Oct. 13. The itineraries follow:

Western trip—Aug. 25, leave New York: Aug. 27, arrive Cheyenne: Aug. 29, Denver; Aug. 31, Osawatomie, Kan.; Sept. 2, Omaha; Sept. 3, Sloux Falls, S. D.; Sept. 5, Fargo, N. D.; Sept. 6, St. Paul; Sept. 7, Milwaukee; Sept. 8, Freeport. III, and Chicago; Sept. 10, Plitsburg; Sept. 11, arrive New York. Southern trip—Oct. 6, leave New York; Oct. 8, Atlanta, Ga.; Oct. 10, Hot Springs, Ark.; Oct. 12, Peorla, Ill., Oct. 13, speech in Indiana for Senator Beverlige, at a place not yet chosen.

The itineraries were completed today after much thought and labor. Col. Roosevelt's secretary has been studying time tables for the last two weeks, squeezing in as many speeches as train connections would permit.

squeezing in as many speeches as train connections would permit. REQUESTS FOR A FEW WORDS.

Urgent requests for a "few words" have come by hundreds from political organizations, clubs, schools and per-sonal friends. The most of these Col. Roosevelt has

the most of these Col. Roosevelt has been obliged to decline, and in announcing his program today he said he wished to make it understood clearly that he could consider no further invitations. Already he has been compelled refuse many that he wished to ac-

cept.
At Chicago Col. Roosevelt will speak before the Hamilton club, a political organization with which his relations for years have been cordial, and which the color of the beautiful problems of the state of the color of the

for years have been cordial, and which is sure to give him an enthusiastic reception. At Milwaukee he will speak before the Press club.

The first address of the southern trip will be on Uncle Remus day, named in memory of Joel Chandier Harris, who in his lifetime was a warm friend of Col. Roosevelt. The Peorla speech will be before the Knights of Columbus, Roman Catholic organization. Roman Catholic organization.

The place for the Indiana speech in support of Senator Beveridge will depend upon political exigencies.

Thus far Col. Roosevelt has only con-

thereto. The areas covered are s follows:

"Arizona, 161,280 acres; Colorado, 6,191,161 acres; Montana, 20,208,866 acres; New Mexico, 2,944,279 acres; North Dakota, 17.828,182 acres; Oregon, 192,652 acres; South Dakota, 2,870,287 acres; Utah, 5,814,287 acres; Washington, 2,207,967 acres; Wyoming, 13,099,718 acres.

"The total of coal lands now withdrawn in the United States is therefore 71,518,588 acres.

"All the land, however, is open to agricultural entry, with a limited surface patented under the terms of the order of withdrawal and in accordance with the recent enactment providing for agricultural surface entries on withdrawn or classified coal lands. Thus far Col. Roosevelt has only considered his subject matter in a general way. He knows he will deal with current questions which form the basis of political discussion, but he knows that his speech for Senator Beveridge will be politics pure and simple, an open plea for the senator's success in his campaign. There were no political conferences today at Sagamore Hill. The colonel was busy with his editorial work and his correspondence.

Unlimited accommodations for bathing at Saltair, 1,100 rooms, 5,000

"Aiready 10,210,082 acres of coal land, in part included in the earlier withdrawals, have been classified and appraised by the geological survey prior to July 1, 1910, and restored to appropriate entry. "The total appraised valuation on these coal lands is \$442,875,208, as compared with \$170,063,766, which would be the minimum price that formerly obtained in the disposal of government coal lands. "The order for withdrawal for Alaska, approved by you on July 2, is of necessity in general terms on account of the lack of land surveys. In the explored portion of Alaska, which comprises about 20 per cent of INVESTIGATION OF NATIONAL PACKING CO.

Chicago, July 14.—A special federal grand jury was impaneled by Judge K. M. Landis, in the United States district court today to hear evidencin regard to the alleged violations of the anti-trust law by the National Packing company and subsidiary companies.

panies.

The jury was cautioned by Judge Landis in his charge to allow their actions to be wholly free from the influence of the often-heard argument that law enforcement would unsettle

that law enforcement would unsettle business.

"You may safely assume," continued Judge Landis, "that no legitimate enterprise needs governmental acquiescence in the commission of crime. You will treat the statute to which I have referred as being just as much in force as are the laws against stealing letters and counterfeiting coins."

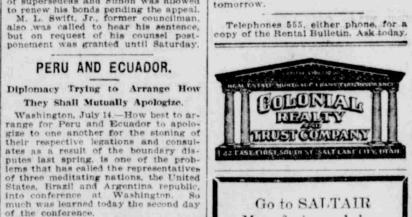

The fury was also told to follow the trail until the "real offenders" were located.

Pittsburg, July 14.—A. W. Simon, one of the former councilmen rounded up in the prosecution of grafters last spring, was sentenced by Judge James R. McFarlan in criminal court today to serve eight months in jail—four months on each of two convictions for accepting bribes for his voted-and to pay a fine of \$200 and costs.

Simon received \$325 for his vote on the bank depository ordinance and was one of those to whom was paid the bargain rates of \$81.0 for his vote on a street ordinance. An appeal to the superior court was granted on a writ of supersedeas and Simon was allowed to renew his bonds pending the appeal. The world's most successful medicine for bowel complaints is Chamberlain's Colic, Cholera and Diarrhoea Remedy. It has relieved more pain and suffering, and saved more lives than any other medicine in use. Invaluable for children and adults. Sold by all dealers.
